

Great Lakes Region Facility Food Exemption Request

Tournament facilities in this region have strict rules about bringing outside food into a tournament. Concessions are available at all facilities but may not provide allergy friendly options therefore players may request a Food Exemption card that they will carry with them at tournaments.

Send the following information via email to Patti@ipvbc.com or turn in at Parent Meeting or to Patti Smith (12U-14U) or Jamie Buhnerkemper (15 & Up) at practice in November.

Copy of Doctors note- specify the athletes need for special food consideration due to allergies or medical condition. Attach to this form.
